May 20, 2012

Darryl Chittenden, Superintendent
Livingston County Schools
127 East Adair Street
Smithland, KY 42081

Dear Mr. Chittenden,

On February 1 and 2, 2012, Betty Elkins conducted a program monitoring visit of the 21st Community Learning Centers (21st CCLC) program at Livingston County Middle School. This letter serves as formal notice that there were no areas of noncompliance found during the visit. A copy of the completed tool is enclosed and a copy has been emailed to Mary Dunning, the 21st CCLC Director and to Pat Moore, the Site Coordinator. Please note the strengths and recommendations on the last page of the report.

Ms. Elkins reported that it was a pleasure to visit this 21st CCLC program and learn about the activities being offered to students and their families. We appreciate the hospitality and cooperation of your staff during the visit.

Sincerely,

A handwritten signature in cursive script that reads "Linda Robinson".

Linda Robinson, Consultant
Division of Learning Styles
