Dear Superintendent Chittenden,

On April 1st and 8th, 2014, Betty Elkins, 21<sup>st</sup> CCLC Monitor, conducted a program monitoring visit of Project P.A.S.S. in Livingston Central High School. This letter serves as formal notice that there were *no areas of noncompliance* found during the visit. The 21<sup>st</sup> CCLC Monitoring Report is attached and please note the strengths and recommendations on the last page of the report.

Ms. Elkins reported that it was a pleasure to visit Project P.A.S.S. 21<sup>st</sup> CCLC program and learn about the activities being offered to students and their families. We appreciate the hospitality and cooperation of your staff during the visit.

Sincerely,
